Discover The Genius Inside You!

Engineering

JEE (Main & Advanced),
MHT-CET

Pre-Medical

(NEET-UG)

Foundation

(Class 8 - 10)

Our Driving Force

Prof. Ashfaq Khan

(Managing Director)

In an ever-changing world, education must prepare students for leadership with purpose, resilience, and integrity. At Sir Einstein Academy, we go beyond academics. We nurture future leaders who excel in learning and embody compassion and character. Balancing knowledge and values is key. We foster intellectual growth while building a strong moral foundation, empowering thoughtful decisions. Through service, collaboration, and mentorship, we instill qualities essential for meaningful leadership. Our aim is to develop confident, compassionate individuals ready to face challenges and positively impact the world.

Prof. Shrirang Pandit

(Executive Director)

Welcome to Sir Einstein Academy, where curiosity ignites creativity and knowledge transforms into innovation. Our mission is to inspire and empower the next generation of thinkers, problem-solvers, and leaders. At Sir Einstein Academy, education goes beyond textbooks. Our personalized approach supports every student's individual learning journey. As you explore our prospectus, envision your child excelling academically, growing personally, and thriving in a nurturing, dynamic environment. We look forward to partnering with you, nurturing inquisitive minds, and guiding them to positively impact the world.

Engineering Classroom Courses

Class Management Software

A Comprehensive : Biometric attendance, test result, online notes

JEE Challenger

Access JEE Main & Advanced questions from previous years, organized by chapter and year, with detailed solutions, insights and practice questions

Video Solutions of Study Material

Detailed & simplified solutions of difficult & complex Questions of Targets (Step 3) and Success Magnet Question Bank

Career Guidance Workshop

Targeted, focused career guidance workshop

Spotlight Program

Revision program to enhance preparation during the last months before JEE (Advanced)

JEE Revision

Revision and testing program for JEE (Main) in the last 1-2 months period

Skull Crusher

JEE Advanced level questions for rigorous practice to strengthen conceptual and application based understanding

Recorded Video Lectures

Study & revise anytime, anywhere with recorded video lectures by expert faculty of Sir Einstein Academy

Our engineering courses are devised for students who have either passed their class XII or are currently pursuing class XI/XII and intend to crack JEE (Main & Advanced) and other engineering entrance exams conducted by various governing bodies.

Engineering Classroom Courses

Class
11
Studying

2 Year Integrated Classroom Course for JEE (Mains & Advanced)

Course Start Date: After X Board Exam April/May

Class
12
Studying

XII Cum Engineering Classroom Course for JEE (Mains & Advanced)

XII Cum Engineering Classroom Course for JEE (Mains & Advanced)

Class
12
Passed

Regular Classroom Course for JEE (Repeater/Dropper)

Course Start Date: May/June/July

Class
12
Appearing /
Passed

Short Term Courses

Scholar Course for JEE
Kindly check with your
nearest SEA Branch

Crash Course for JEE
Start: March/April

Test & Discussion Course for JEE
Start: March/April

BOOKS

Physics, Chemistry, Mathematics, SEA Model Test Papers (for School/Board Exams), Question Bank-Momentum Booster for JEE, NCERT MAPS & Know Your NCERT (Books & Material may vary as per course).

CLASSES & TIMINGS

Regular Classroom Courses
Weekdays: 6 days (8-10 hrs/day) Weekend: Sun (6 hrs/day)
Repeater/Dropper Course
Morning Batches Weekdays: 6 days (8 hrs/day)

Pre-Medical Classroom Courses

Class Management Software

A Comprehensive : Biometric attendance, test result, online notes.

Know Your NCERT

A powerful learning tool focusing on an in-depth understanding of NCERT materials for the ultimate success in NEET.

Phygital Study Material

Study material with embedded QR Codes offering detailed explanations and instant query resolution.

Experimental Workshop

Practicals of Physics, Chemistry, Botany, Zoology covered through technology led experiment based workshops.

Career Guidance Workshop

Targeted, focused career guidance workshop

NEET Challenger

Access previous years' papers, detailed insights, practice questions & more.

NCERT Maps

A compact form of NCERT based smart tool for success in NEET.

Recorded Video Lectures

Study & revise anytime, anywhere with recorded video lectures by expert faculty of Sir Einstein Academy.

Pre-Medical Classroom Courses

Test & Discussion Course for NEET
Start: March/April

BOOKS

Physics, Chemistry, Botany, Zoology. Physics, Chemistry, Biology Olympiad, SEA Model Test Papers (for School/Board Exams), Question Bank-Momentum Booster for NEET, NCERT MAPS & Know Your NCERT (Books & Material may vary as per course).

CLASSES & TIMINGS

Regular Classroom Courses
Weekdays: 6 days (8-10 hrs/day) Weekend: Sun (6 hrs/day)
Repeater/Dropper Course
Morning Batches Weekdays: 6 days (8 hrs/day)

SEA has been nurturing the aspirations of students who dream about a career in medicine. For the last six years, our students have been securing Good Rank in various medical entrance examinations. With SEA courses for medical entrance examinations, we take a step further in excelling the medical exam preparation

MHT-CET Classroom Courses

Class Management Software

A Comprehensive : Biometric attendance, test result, online notes

MHT-CET Challenger

Access MHT-CET questions from previous years, organized by chapter and year, with detailed solutions, insights and practice questions

Career Guidance Workshop

Targeted, focused career guidance workshop

Spotlight Program

Targeted & focused revision program to enhance preparation during the last months before MHT-CET.

MHT-CET Revision

Revision and testing program for MHT-CET in the last 1-2 months period.

Recorded Video Lectures

Study & revise anytime, anywhere with recorded video lectures by expert faculty of Sir Einstein Academy.

We offer a 2 years program for X passed students aiming to get admission in engineering colleges of Maharashtra along with a very good score in boards. This program is designed for the preparation of MHT CET along with the preparation of XI+XII Board examinations. The course covers the fundamentals along with syllabus of board examinations.

MHT-CET Classroom Courses

BOOKS

Physics, Chemistry, Mathematics, SEA Model Test Papers (for School/Board Exams), Question Bank-Momentum Booster for MHT-CET.

CLASSES & TIMINGS

Regular Classroom Courses
Weekdays: 6 days (8 hrs/day) Weekend: Sun (Off)
Repeater/Dropper Course
Morning Batches Weekdays: 6 days (8 hrs/day)

Foundation Classroom Courses

Activity Based Learning

Practical & engaging activities that teach theoretical concepts in a fun way, thereby promoting greater student involvement.

Quiz Activity

Quizzes conducted in class based on previous lectures to help revise and retain concepts better.

Flash Cards

Practicals of Physics, Chemistry, Botany, Zoology covered through technology led experiment based workshops.

Career Guidance Workshop

Targeted, focused career guidance workshop

PPTs Based Lectures

Rich slides with powerful visuals for a more engaging and standardized classroom teaching experience across the country.

Knowledge Bytes

A collection of riddles, interesting facts, mnemonics and puzzles to make learning fun.

Foundation classroom courses are programs that help students build a strong foundation in core subjects like science, mathematics, and language arts. They can help students bridge knowledge gaps and prepare them for higher levels of education.

Foundation Classroom Courses

Class
8
Studying

1 Year Integrated Classroom Course for Olympiads & Class VIII

***3 Year Integrated Classroom Course for Olympiads, NTSE & Class VIII, IX & X**

Course Start Date: March/April/May

Class
9
Studying

1 Year Integrated Classroom Course for Olympiads & Class IX

2 Year Integrated Classroom Course for Olympiads, NTSE & Class IX & X

Course Start Date: March/April/May/June

Class
10
Studying

1 Year Integrated Classroom Course for Olympiads, NTSE & Class X

Course Start Date: March/April/May/June

All the above courses are available for CBSE/NCSE Board only

CLASSES TIMINGS

Regular Classroom Courses
Weekdays: 3 days (4 hrs/day)
Weekdays: Sun (8 hrs/day)

BOOKS

Physics, Chemistry, Biology, Mathematics, Social Science, English Language, Mental Ability & Logical Reasoning, PRMO/IOQM, RMO/INMO, NSEJS/IOQJS, INJSO, Previous years' questions of NTSE, Micro-assignment, Chapter-wise Previous Years' Question Bank of X board, Fast Track & Trickopedia, Advanced level Question Bank, SEA Model Test papers (Academic material may vary as per course).

Course Structure

01

Duration: April To January

Integrated Preparation During class XI
Intensive Integrated Preparation for NEET,
JEE, MHT CET, as per Student's Target

02

Duration: January

Potential Discovery Test
Discover The Achievable Target

03

Career Planning

Review & Finalize
Target As Per
Potential & Interest
Of The Student

04

Duration! 1 Feb To Till Examination

Career Preparation
As Per Target Exam

Advanced Teaching Methodology

Our expert faculty members provide you classroom coaching using a simple yet very effective technology. Also, there are many additional features which make the coaching even more effective & result oriented.

1

Classroom coaching

- Live Interactive classes by expert faculties
- Ask doubt during lecture
- PDF class notes for each lecture
- Concept video for each topic
- Recorded lectures & other sessions for later viewing for revision etc.

2

Daily practice problem sheets (DPPs)

- Daily practice questions with solution
- Important questions to cover the topic effectively.
- Provided in quiz format.
- Inculcate question solving skills with speed & accuracy revision etc.

3

One to one doubt clearance

- Subject experts conduct batch-wise two-way interactive doubt solving classes over zoom.
- During doubt classes, student can clarify doubts to grass root level.
- Experts provide mistake analysis, problem solving tips & personalized motivation.

4

Exercise sheets & solutions

- Provided in PDF format to all students.
- Printed study material package & exercise sheets.
- Live exercise sheets discussion classes.

5

Online test series with feedback

- Chapter tests, unit tests, minor & full syllabus major tests
- Live interactive classes for test discussion
- Detailed result, analysis & feedback.

6

Printed study material

- To the point relevant study material designed by expert faculty team
- Provided to students who pay full course fee in lump-sum.
- Cover various questions in exercise sheets.

7

Motivational seminars

- Live motivational and guidance session, individual mentoring, Parent-Teacher meet etc.

What Student Say About Us

AASHNA SHAIKH

"Striving for Academic Excellence" Challenging classes and supportive teachers push us to think critically and aim high in our studies.

SIMEEN BANDARKAR

"Playing as Champions" Sports here teach us teamwork, discipline, and resilience. We play to grow, not just to win.

NITIN KOHLI

"Achieving Our Goals Together" With our teacher's guidance, we're equipped to excel in exams and reach our academic goals.

Shreya Jadhav

"Growing Beyond Academics" Our education goes beyond grades—we learn to balance studies, hobbies, and friendships.

SANSKRUTI JAGTAP

"Inspiring Creativity and Innovation" From art to science, we're encouraged to think outside the box and bring new ideas to life.

SANKET KALANGE

"Learning Through Engagement" Classes here are interactive, making learning enjoyable and helping us understand deeply.

VISHAKHA MANE

"Expressing Through the Arts" From painting to drama, arts are celebrated here, boosting our confidence and creativity.

TANMAYI RASAL

"Mentored by Exceptional Teachers" Our teachers inspire and guide us, helping us discover strengths and a love for learning.
